Overview

What is the difference between Teamapp and Teamup? Yes, it can be confusing because we use the TeamApp and the TeamUp.

AZUV ZIOJ9 EIOJS Think of the TeamUp as the Junior Program's master calendar. On this calendar, you can see every class schedule. You can also see who is scheduled to coach each session.

Remember: We are running at least 8 programs! So if your calendar looks too busy and overwhelming, please use the filters to sort.
